Star Case style CS-4 (clamshell) Shipping Case with Designer Series 20RU x 30" deep (DS2030) Rack

The perfect package for transporting a stand-alone, aesthetically pleasing rack to and from venues such as product introductions, trade shows & expositions.

Rack sits securely on a floater base to provide excellent shock isolation while two part easily-removed lid is fully foam lined. Lower case section in which rack sets can be attractively draped-off for concealment. Once inner rack enclosure is removed, entire outer case can be draped and used as an effective pedestal stand. Case as shown is outfitted with heavy-duty swivel & locking casters.

- Common Carrier Transport, ATA Compliant Case Construction
- Recessed twist catches - 4 per side (4 padlockable)
- Recessed spring-loaded handles - 2 per side
- Case Outer Laminate-red, white, blue, hunter green, yellow, orange, light or dark gray, black or bordeaux
- Easy removal clamshell style (CS4) case lids
- Star Case aluminum Designer Series inner rack equipped with optional smoked acrylic side panels and rigid top cover panel
- Locking front and/or rear doors-optionally available
- Rack height from 4-48RU and rail-to-rail (10-32 tapped rack rails) & depth to your preference. Custom outer case to conform perfectly to inner rack enclosure dimensions
